

The charity that supports current, former and retired railway people and their families across the UK.

## RAILWAY BENEFIT FUND

The Railway Benefit Fund, also known as RBF, is a non-membership charity that provides support to improve the financial wellbeing of current, former and retired railway staff and their dependents across the UK.

We've been here for railway people since 1858 and today, thanks to the generosity of our supporters, we're able to offer help to those who need us. We rely solely on fundraising and donations so we can continue to support our Railway Family.

Our assistance is available to anyone working, or who has worked, in the railway, including passenger, freight, infrastructure, supply chain and ancillary services.

## Our financial wellbeing services are free for all railway people to access

- Online financial health tools
- Specialised information and signposting
- Confidential debt advice
- Financial support specifically for dependent children and retired rail workers
- Financial grants for hardship
