Charity Charter

Crewe - York - Scarborough

Wednesday 5th June 2024

RBF Charity

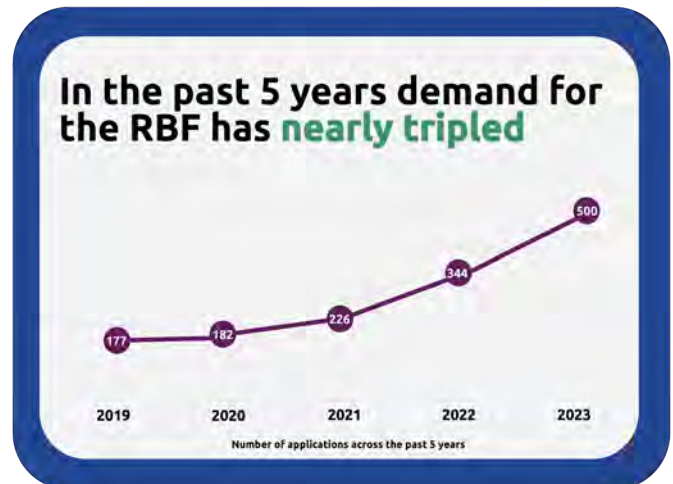

The Railway Benefit Fund (RBF) has been here for railway people since 1858 - that's over 165 years!

We are here for current, former and retired rail workers including passenger, freight, infrastructure, supply chain and ancillary services.

We rely solely on fundraising and donations so we can continue to support our Railway Family.

Last year we supported over 1,000 railway people with direct financial support. Over 65% of whom currently work in rail.

Bucket & Spade

A fun day out for all to enjoy whilst raising financial support for railway families.

The charter aims to raise over £50,000 to support the valuable work of the charity.

The iconic Class 40 locomotive D213 'Andania' will haul the First Class Intercity carriages from Crewe to York or Scarborough via Warrington and Manchester with over 350 passengers.

We are extremely grateful to Locomotive Services Limited for making this opportunity available for us.
