Our Purpose

Our purpose is to provide essential support to railway people and their families during times of hardship, enabling them to overcome challenges and thrive.

Railway Benefit Fund – also known as RBF is a non-membership charity that provides financial support to the railway community and their dependents across the UK. We have been supporting railway people for over 165 years.

Every four minutes somebody reaches out to RBF for help and advice. We offer a range of support services, including financial grants, confidential advice, online resources, and a dedicated legal helpline. These support services are designed to help individuals and families navigate life's unexpected challenges, such as illness, injury, and financial difficulties.

Our support extends beyond passenger rail, encompassing the entire railway ecosystem, including freight, ancillary services, and the wider supply chain.

As a non-membership charity, we rely solely on the generosity of our supporters to continue supporting the UK rail industry. Your contributions make a real difference to the lives of railway people and their families.

WELCOME MESSAGES

Jo Kaye, CEO

It's crucial to remember that the railway is truly "one big family." The industry has a fantastic ethos of supporting those in need.

I believe in our industry's commitment to care for its own. By supporting the RBF, we can ensure that our colleagues have the support they need to navigate life's challenges and thrive.

Pete Waterman OBE, Charity President

As you may know, I grew up near the railway in the West Midlands. That's where my love for railways began.

I was overwhelmed and proud this year to have a Freightliner Class 90 90041 locomotive named after me. The naming took place at Crewe by Tim Shoveller, CEO of Freightliner Group, in recognition of my contribution to the Railway industry.

Our Support Services - How We Make a Difference

Railway Benefit Fund (RBF), believes that no one in the railway family should face hardship alone.

Through **financial grants, confidential advice, digital tools, and our legal helpline**, we provide essential support to railway workers across all sectors.

Our **Financial Health Assistant** and **Money Helper digital tools** provide guidance on budgeting, savings, and universal credit payments, helping individuals take control of their finances.

Beyond immediate aid, we are committed to long-term financial wellbeing. Our services include **dedicated support for retired railway workers, and a free will-writing service** for railway people and their families across the UK.

When unexpected costs arise, our **non-repayable grants** provide a vital lifeline, easing financial burdens and helping railway workers regain stability and peace of mind.

Hardships can be invisible — but with RBF, no one in the railway community has to face it alone.

FUNDRAISING IMPACT

We rely solely on the generous support of our railway industry to raise vital funds for railway people facing hardships. Thank you to everyone who has contributed to making a real difference this year.

Christmas Events

£46,718

POSITIVE IMPACT ON RAILWAY PEOPLE

Josh, 21, Railway Engineer said, "I've been struggling really badly lately financially and emotionally, with normal problems like money, not getting enough shifts working as a track engineer, family issues. I came across RBF and got the help I needed, it's very simple and the staff are wonderful, I highly encourage people to reach out if you're struggling to make ends meet for you and your family."
